It includes silhouettes of people working, a laptop, a tablet displaying '85.00%', a bar chart with three green bars of increasing height, a shopping cart icon, and a grid of green dots in the top right corner. RISE TO PROSPERITY

ABOUT ORIVON

trademart is a global movement born from the fusion of Latin inspiration “Ori” to rise, to begin — and Germanic heritage — “Von” of noble origin. Orivon stands as a symbol of growth, resilience, and prosperity. Our platform empowers individuals to unlock opportunities, build sustainable wealth, and rise together as a community. We believe that true prosperity is not just financial, it is the journey of progress, dignity, and legacy.

FOUNDER’S MESSAGE

“I founded Orivon believing everyone deserves the chance to rise and turn potential into prosperity.”

Robert Petersen — Luxembourg
